Vitto Brion is an Argentinian electronic music DJ & producer.

At this stage, she got the chance to play in several of the most important venues in Buenos Aires, including Campo Argentino de Polo, Hipodromo de Palermo, Nomade Argentina, and Negroni Argentina.

She has conquered many of the best clubs, like Crobar, JET, Creta Costanera, BNN, and the Elements cycle in Club Araoz, playing alongside distinguished artists.

She had the pleasure of sharing the booth with great international DJs and Producers such as Clint Lee, ANIMAL PICNIC, OUTOFMIND, COLOSSIO, Vite, etc. And Argentine DJs like Mai Lawson, DOMA, Temple Gate, Lisandro (AR), and Lolu Menayed.

Currently, Vitto is in Mexico, where she participated in several gigs and played on local radio programs, and was called to record live sets for YouTube.

Vitto proposes an intense and energetic journey through her music sessions, standing out with a variety of sounds that all come together for an electric climax in her DJ sets. She has a unique and versatile approach that submerges the dancefloor into a musical ride. From deep house, progressive house & organic, to house and indie, Vitto likes to indulge in different styles to tell her story through her music.
